Job Description

Title
Video Editor

Classification
Non-Exempt

Direct Supervisor
Story Team Director

Summary of Role

Connect people to Christ by inspiring them with innovative, emotionally rich and creative storytelling and marketing pieces.

Position Status & Schedule

Full-time, Sunday-Thursday. The expectation is 40 hours per week. Christmas & Easter service dates and times are black out days for time off. There may be other events that you are required to work outside of your normal schedule, you will be informed in advance of any of these requirements.

Primary Functions & Responsibilities

- Collaborate with other creative departments to conceptualize, produce and edit video and marketing pieces in support of the vision of both Celebration Church and our Senior Pastors
- Seek out new techniques and commit to self-growth and improvement
- Inspire, train and lead volunteer team members by consistently casting vision, teaching skills, techniques and processes.
- Manage compression, conversions, and archival of projects and footage for efficient use of storage and cataloging
- Ability to quickly adapt to and utilize surroundings in various locations and environments while on shoots
- Participate as a production member in special events as a camera operator, switcher, or camera assistant
- Complete projects in a timely manner, consistently meeting deadlines

Requirements

- Mature Christian who calls Celebration Church home and supports the Church's culture, vision, and values
- Unwavering commitment to place Christ first in all you do
- Desire to ensure people are known, loved, and celebrated
- Continually seeking growth with Christ and encouraging others to do the same
- Passion for excellence, always looking to improve
- Deep understanding of the value in being part of a family that is unified for a greater cause

Competencies

- **You must submit a reel with your resume to be considered for this position.**
- Innovative, strategic out of the box thinking
- Understanding of big picture but enjoys working in the details
- Skilled in creating new ideas that effectively support the vision
- Adobe Suite experience is a must
- Technical knowledge of digital cameras, lenses, lighting gear and other film equipment

- Motion Graphics experience is preferred
- Must be able to work independently under defined objectives, priorities, & deadlines
- Proficient with MAC
- Knowledge of Microsoft Office, Apple Operating Systems, and Basecamp preferred
- Must be comfortable asking questions and holding people accountable for deadlines
- Must have working knowledge of Premiere Pro and After Effects.

Education & Experience

- 2-3 years of relevant work experience
- Completion of Connection Point preferred

Work Environment & Physical Demands

- Must be able to lift and carry 25 pounds
- Collaborative open office environment
